Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Scaps of Song and Southern Scenes In placing before the public this little volume, I feel that I am appealing to an audience whose sympathies are already mine. Yet, if the full measure of my anticipations be not wholly realized, I shall still feel that the world has been so kind and generous to me, that I can well afford to submit uncomplainingly to a light reproof now and then. Should these little emanations of my intellect meet with favor in the eyes of those for whose pleasure they are written, and should they touch a responsive chord in the hearts of those among whom my life has been passed, and to whom every sympathy of my soul goes out in fond endearment; then shall I feel that I have not written in vain of the melody and memory of my old plantation home.
