Counterpoint. Paperback. Book Condition: new. BRAND NEW, The Quiet Streets of Winslow (First Trade Paper Edition), Judy Troy, When the murdered body of a young woman is found in a river wash in Black Canyon City, Arizona, deputy sheriff sam Rush launches an investigation that leads deeper and deeper into the mystery of her death and the psychological complexities of identity. Nate Aspenall, the young man with whom the murdered woman had been involved, is forced to confront the facts of her life, those of his own, and the future with her that he has lost. Travis Aspenall, Nate's fourteenyear-old stepbrother, must come to grips with what love and sex do to people, the choices people make when threatened with loss, and what you're left with when what you thought you knew and trusted has been thrown into doubt. As the investigation takes sam north to Winslow and Holbrook, Arizona, and brings Nate temporarily back to Black Canyon City, solving the mystery becomes more complicated. Additional suspects emerge, and nobody is telling the truth. sam finds that the victim's haphazard life was dangerous, and her relationship with Nate anything but straight-forward. As for Nate, his time in Black Canyon City is running out, and his family is no longer certain of his innocence. In the midst of all this, Travis struggles to grow up. Taking place in gorgeous Winslow, Arizona--a setting that becomes a fully realized character in this beautiful story--The Quiet Streets of Winslow offers a murder mystery interwoven with love stories and unforgettable voices, a masterful return for Judy Troy.
