Marketing is the art of creating a customer, sustainable marketing creates customers who want to stick around and who match the values and approach of the business owner or organization. Discover the rarely discussed assumptions and actions underpinning the ability to build a solid base of customers you enjoy doing business with. Drawing upon her 30 years of business successes and mistakes, creative marketing expert Marcia Yudkin explains the principles that help entrepreneurs and companies attract a distinct set of buyers while maintaining the enthusiasm of both sides. According to Yudkin, following formulas that worked for someone else doesn't guarantee a successful outcome for you.
