Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This delightfully humorous book will take you back to your childhood best memories. For several years well known outdoor writer J. Wayne Fears has written his comic tall tales about growing up poor around Tader Knob Mountain. They have been hits in magazines such as Progressive Farmer, GunHunter and Great Days Outdoors. Now he has compiled many of the folksy tales, which have the humor similar to Pat McManus with the rural nostalgic, philosophical touch similar to Dr. Ferrol Sams, into a very interesting book entitled Chipmunk, Punky, Sometimes Jenny, and Me. Be sure to let us know if you want to hear more!!! These short stories takes you on boyhood adventures and misadventures including hunting trophy green hole possums, fishing for hornyheads, defeating ginseng thieves, attending flea infested weddings, trapping black panthers and disturbing Maude Culpeppers ghost. You will get to know boyhood buddies Chipmunk , Punky, Jenny, Snake, Dutch, Ball Ping and many more as they search for ways to become rich and famous in the outdoors. Each tale in this collection of short stories will keep the young adult and adult reader coming back for more. Chipmunk, Punky, sometimes Jenny and Me transports the reader to a more simple place and time, and keeps him laughing all the way.
