Reviews

It becomes an awesome publication that I actually have actually read. It really is written in simple terms and not difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Talia Cormier)

THE SCRIBE: A NOVEL (PAPERBACK)

WW Norton Co, United States, 2016. Paperback. Book Condition: New. Reprint. 211 x 142 mm. Language: English . Brand New Book. After leaving Atlanta in disgrace three years before, detective Thomas Canby is called back to the city on the eve of Atlanta s 1881 International Cotton Exposition to partner with Atlanta s first African American police officer, Cyrus Underwood. The case they re assigned is chilling: a serial murderer who seems to be violently targeting Atlanta s wealthiest black entrepreneurs. The killer s method is both strange and unusually gruesome. On each victim s mutilated body is inscribed a letter of the alphabet, beginning with M. The oligarchy of Atlanta s most prominent white businessmen-the same men who ran Canby out of town, known more openly before Reconstruction as the Ring -is anxious to solve the murders before they lose the money they ve invested in both the exposition and the city s industrialization, even if resolution comes at the expense of justice. After Canby s arrival the murders become increasingly disturbing and unpredictable, and his interference threatens to send the investigation spinning off in the wrong direction. As the toll of innocent victims rises, Canby must face down enduring racism, and his own prejudices, to see clearly the source of these bloody crimes. Meanwhile, if he can restore his reputation, he might win back the woman he loves. With scrupulous attention to historical detail, Edgar Award finalist Matthew Guinn draws readers into a vortex of tense, atmospheric storytelling, confronting the sins and fears of both old South and new.
