Createspace, United States, 2013. Paperback. Book Condition: New. 232 x 158 mm. Language: English . Brand New Book ***** Print on Demand *****.Want to be in the know when it comes to sex? If you do, and who doesn't, then Sex - A to Z is the perfect book for you. It's a collection of lewd terms, dirty words, and sex stuff both real and fabricated, that once read could make you feel positively scholarly when it comes to the topic of Sex. The book has no literary value whatsoever; it's just downright silly and smutty. Sex - A to Z has the A to Z on all kinds of kinkiness you probably never knew existed. There isn't one thing about the book that is educational, truly informative or real, although I'm quite sure there are actually folks out there who like to rub up against a cuddly stuffed teddy bear before getting their sexy on. Who wouldn't? Sex - A to Z is easy to follow, and can be picked up and put down at random, with no worry about losing the gist of the book. The gist is quite apparent in every sentence. It is the ultimate in bad taste, and unladylike behavior, and there's nothing wrong with a little unladylike behavior. Am I right or am I right?.
