Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Mindset: How to be successful and live up to your full potential by changing your thoughts and beliefs You are probably asking yourself now, "Why do I need to have a success mindset if I already have other qualities to achieve greater heights in my endeavors?" Do not worry because many people share this reaction. This is true especially for those who already have talents, natural abilities, charismatic personalities, and other resources that they can use to start racking up success. However, a success mindset, although often overlooked, is and will always be the controlling factor of everything you possess. You might have the money to start a business and take bigger risks, but without the right mindset to control your spending habits and decision making, you will see your money at face value and not what it is capable of growing to in the future. You might have the talent and natural abilities to start all over again after a crippling failure, but without the right mindset to guide you, all you will have is...
