BRAND NEW, 6 Leadership Principles from the Gospels: Getting Things Done in Your Organization, David J Felter, What Jesus did with twelve men in just three years is extraordinary. Using an array of strategies and principles, he created a conducive environment for collaboration and success and was able to turn simple disciples into transformational leaders. In Six Leadership Principles from the Gospels, David Felter examines the principles and strategies that Jesus used in His ministry and shows how these can be applied to help leaders transform a group into a community. Using practical examples and solid biblical evidence, Felter explores the dynamics of forming a community, how to cross boundary lines, ways to implement change and manage mission, and the essentials of rising above the status quo. With relevance and perception, Felter helps leaders understand the transformational leadership principles of Christ and then put them into practice.
