LENNON JUICE: VERSES, STORIES, AND JOTTINGS CHanneled BY JOHN LENNON TO BUNNY PAINE-CLEMES (PAPERBACK)

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.To read this collection is to enjoy a new cache of John Lennon s writings, complete with zany images, word play, philosophical depth, and transcendental silliness. The material was channeled to Dr. Paine-Clemes in 1986 under circumstances explained in the note at the end of the volume. Did John Lennon really compose it? Read and decide for yourself. The author says, I know I didn t write this material. I have neither the mindset nor the talent. There were many details I didn t understand at the time--and a few I still don t, to this day.
