*Good electronic book and valuable one. It is one of the most incredible publication we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

Hancock House Publishers Ltd ,Canada. Paperback. Book Condition: new. BRAND NEW, The Bald Eagle of Alaska, BC and Washington, David Hancock, David Hancock has been fascinated by the magnificent bald eagle for over 50 years. This title conveys the enthusiasm, depth of knowledge and respect for nature that could only come from a writer who has dedicated his life to wildlife biology and conservation. Personal anecdotes -- such as the author's often humorous adventures as a young graduate student travelling the west coast to study eagles -- enliven the narrative. Chapters on the biology of the bald eagle and a summary of how they bounced back from the edge of extinction in the continental US share David Hancock's extensive understanding and appreciation of this majestic bird. As well, there is a look at some of the best eagle viewing areas and festivals on the northwest coast with recommendations and observations from the author.
