MAELYN THE NINE PRINCESSES NOVELLAS VOLUME 1

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 140 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. Months later, the king returned home and presented his astonished queen with not one, but nine baby girls. One from each kingdom I visited, said the king. They are orphans. The queen wept joyously at the row of cradles, each bearing a sleeping infant. After bestowing a kiss on each child's forehead she said, Now they are princesses. Book 1: Maelyn was not born a princess. The king found her as a child, the lone survivor of a poor village slaughtered by the Red Fever. Suddenly she became a princess of Runa Realm, the first of nine orphans adopted by the king. By her eighteenth year, Maelyn rules over Runa and a family of nine sisters. But some call the princesses frauds and imposters, a handful of urchins raised into royalty. Even Uncle Jarrod, the High King of Grunwold, seems determined to prove that Maelyn no longer deserves to be a princess. With a family losing faith in her, and a kingdom growing dangerously hostile, even Maelyn begins to wonder if she is truly a real princess. And if her riches will turn to rags once again. The Nine Princesses Novellas is a series that chronicles the adventures of an unconventional family of princesses, the struggles they face in a kingdom often hostile to their humble origins, and the day-to-day dramas of nine young women whose personalities often clash like swords. Fans of Gail Carson Levine and Shannon Hale would enjoy this young-adult series. Recommended for ages 12 and up. For more information go to www.anitavalleart.com Authors Note Although this novella features a royal family formed by international adoption, it is more than an adoption story....
