The Nexus 7 is Googles first tablet PC, and the first device to use the Android 4. 1 Jelly Bean operating system. The Google Nexus 7 Survival Guide gathers all of the available information regarding the Nexus 7 into a single guide, where it can be easily accessed for quick reference. There is no fancy jargon and every instruction is explained in great detail, which is perfect for beginners. In addition, this guide expands on the basics by discussing useful tips that are excellent for more advanced users. With the multitude of new features introduced in Jelly Bean, such as Google Now and an improved Notification Center, you cannot afford to miss a single one. The level of detail in each chapter sets this guide apart from all the rest. Countless screenshots complement the step-by-step instructions and help you to realize the Nexus 7s full potential. The useful information provided here is not discussed in the official Nexus 7 manual, such as tips and tricks, hidden features, and troubleshooting advice. This guide also goes above and beyond by discussing recent known...
