Brand New Book ***** Print on Demand *****.Twentieth century scientists would have succeeded in formulating a unified theory if they had strictly followed the principles of scientific reasoning: experiment, observation, and inference. In Grand Unified Theory, Arkay Nair presents a simple and elegant model of a unified theory that combines Classical Mechanics with Quantum Theories. Nair is so confident of his arguments that he is willing to award \$1000 to anyone who can find a fallacy in his arguments. His arguments include: Copernican heliocentric universe is only a mathematical model and is not a physical reality. Tycho Brahe's geo-heliocentric model of the solar system is the physical reality. The Michelson-Morley experiments give conclusive proof that Earth is fixed in space with zero rotation and zero revolution. Earth was formed most likely by a supernova type of explosion of a companion star of our Sun. Green plants are capable of reversing entropy. The proposition that time is a fourth dimension is preposterous. Einstein went wrong with this approach and both his theories of relativity are unscientific. Orbital motions have zero velocity. If...
