iUniverse, United States, 2008. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The novel *One Batter, One Pitch* is a sequel to *An Informal Boston Education*, which chronicled the chaotic, frenetic, and hilarious career, social, and romantic missteps of quirky, wisecracking, ballplaying, weightlifting, and beer-drinking young Boston CPA Rocky Collins; until, with the help of a good woman and promising new job, he finally gets his life under control. But now he s approaching middle age, frustrated with limiting age-related physical issues and feeling increasingly out of tune with the culture; and worst of all, the changing competitive landscape facing the company he s been successful with for twenty years has become an insurmountable problem. He s working too hard and long with disappointing results, and worrying that, despite his rewarding family life and a solid circle of old friends, he s going to end up a failed, essentially numerical man. But his unrelenting drive and determination, intelligence and wit, along with the unwavering empathetic support of his equally hard-working wife, finally have him hooking up with a couple of charismatic, successful Boston venture capitalists, who not only appreciate his talent and work ethic, but also his imagination and combative Boston-Irish humor. He gets his career back on track by helping them turn around a couple of mid-size manufacturing companies, while also helping found a new independent baseball league with some very unique rules, equipment, and playing fields; designing *The Penultimate Boston Sports Bar*; and helping a black Boston area youth minister build a *Life Training and Development Center*.
