For thousands of years, parents have taught their children about God by telling them Bible stories and discussing them as a family. These lessons will help you to do the same thing with your child. When first teaching your child about God, there are certain foundational concepts with which you should start. These are concepts such as Who God is, What God has done, You can have a relationship with God, You can be all God wants you to be, and You can do all God wants you to do. Our lessons teach foundational concepts such as Who God Is and What God Has Done using Fun, Hands-On Activities; Bible Stories; Discussion; and Scripture Memory which will help the theological seeds you're planting to stick with your child.
