Brand New Book ***** Print on Demand *****.(GRAYSCALE EDITION) Most people today acknowledge that Jesus was Jewish. Yet a surprising number of Christians and Jews hold the belief that Jesus converted to Christianity at some point in his life or that he actually launched a new religion. In Jesus Uncensored psychologist, journalist and college professor Bernard Starr draws on a wealth of sources, including a close reading of biblical texts, to portray Jesus lifelong commitment to Judaism, the synagogue, and the Torah. He also reveals that Paul, the founder of Christianity, never gave up his Jewish identity nor, like Jesus, did he intend to launch a new religion. If indeed Jesus was an ardent practicing Jew and preached only to Jews, why then did classical artworks depict Jesus and his fellow Jews as blond, fair-skinned Gentiles? Why did artists transform a community of orthodox Jews into latter-day northern European Christians? Starr takes the reader on a fascinating journey through Medieval and Renaissance art (including a walking tour of New York s Metropolitan Museum of Art). He argues that the ethnic cleansing of Jesus and the world around him -so vividly depicted in hundreds of paintings- created a powerful platform for anti-Semitism. Contributing to this was the fact that throughout much of their history Christians were forbidden to own, read, or translate their Bible into a native language, which prevented them from discovering the firm Jewish foundation of Christianity. If the populace had access to the Gospels, says Starr, they surely would have noticed that the multitudes of Jesus followers were Jews. Starr then turns to the crucial question, Did the Jews kill Jesus? -a charge that has echoed with deadly consequences since the crucifixion. Carefully...
