Reviews

This publication might be well worth a read, and much better than other. It really is simplified but excitement inside the 50 % of the book. You will not feel monotony at whenever you want of the time (that's what catalogues are for concerning when you check with me).

Snowbooks Ltd, United Kingdom, 2009. Paperback. Book Condition: New. 196 x 130 mm. Language: English . Brand New Book. When Trey meets his new legal clients, the stunning Michel and his equally striking partner Gabriel, he can't believe his luck. The rumour in the office is that the pair can be difficult at times; they have a staggering number of assets to manage and are elusive during the daytime hours. Trey settles into his new Parisian home, making friends and meeting romantic interests, but none so fascinating as Michel and Gabriel. There's something familiar about them, about their peculiarities, and Trey just can't shake the feeling that he's missing something important. They seem kind enough, if distant at times, and as Trey's life becomes more complicated, they appear to want to protect him. But what if they're the ones putting him in danger?.
