

The American Revolution (Hardback)

By David F. Burg

Facts on File Inc, United States, 2001. Hardback. Book Condition: New. 290 x 222 mm. Language: English . Brand New Book. The American Revolution weaves a wealth of primary source material into a compelling narrative to provide a comprehensive overview of the revolutionary era. Coverage includes the period from the inception of the French and Indian War to Washington's farewell to Congress, with particular emphasis on the years of the war itself, from 1775 to 1781. Each chapter begins with an introductory essay summarizing important themes, followed by a chronology that offers an account of key events. Hundreds of excerpts from contemporary newspapers, diaries, letters, speeches, and memoirs, including entries from George Washington's personal journal, further illustrate events of the era and how they were perceived by those who lived through them. In addition to presenting an in-depth exploration of the American Revolution, its causes, and its conclusion, the volume also highlights developments in science, art, and literature to enhance readers' overall understanding of the period.

Reviews

Undoubtedly, this is the best work by any author. It is really simplified but shocks within the 50 % in the publication. Its been written in an extremely straightforward way and is particularly just following i finished reading this publication by which basically altered me, modify the way in my opinion.

-- **Vivianne Dietrich**

This publication will never be effortless to begin on studying but extremely entertaining to learn. It is probably the most incredible publication i have go through. I realized this ebook from my i and dad suggested this publication to learn.
