Reviews

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Brian Miller)

Little, Brown Book Group. Paperback. Book Condition: new. BRAND NEW, Airbound, Christine Feehan, For as far back as she can remember, Airiana Ridell has always been aware of her extraordinary gift. She can intuit revealing and illuminating 'patterns' in the air around her-whether in a spray of mist, in billowing clouds, or in the dense swirls of an impenetrable fog. Her abilities led to her placement in a secret government training facility when she was a child, but everything changed after her mother was murdered. Airiana fled the program, but she couldn't outrun the desperate members of a shadowy cabal who want her, who need her, who will kill to get her. Kidnapped and held aboard a ship bound for dangerous seas, her only chance for rescue is Maxim Prakenskii. He has his reasons for helping her, but he isn't about to reveal them to Airiana. Not yet. Not as the two are drawn together as moth to flame. Not when there are so many secrets yet untold that could shatter the quaint community of Sea Haven and all who reside there .
