Reviews

It is one of my personal favorite publications. Indeed, it actually performs, still an amazing and interesting literature. It has been printed in an exceptionally easy way which is merely soon after I finished reading this book where it really altered me, changed the way I believe.

We want to live our dream life, and we can. We want to be happy, and we can. We want to experience oneness, and we can. We want to live at our full potential, and we can. Many of us are not living our dream life, because . we are asleep, and are not aware yet of our state! Many of us are not happy, because . we see happiness as a win or lose game, and do not yet cultivate happiness for the benefit of all beings! Many of us are not experiencing oneness, because . we are separating ourselves from the whole, and do not yet understand that we are all in the same boat! Many of us are not living at our full potential, because . we identify ourselves with our ego, and do not yet act from a space of possibilities! This book brings you the wisdom of Neale Donald Walsch, in the Foreword, and the presence of Eckhart Tolle, in the Conclusion. In between, eight chapters make it easier for you to empty your cup, live your life at your full potential, and be beyond narratives. How? BioHarmonizing offers you the tools to do so. Harmonize your values, goals, actions, etc. BioHarmonizing helps you in discovering what matters for you, in your own terms, and in creating your own harmonic life. Let that song you have in your heart reach the Universe! Do it now-here, or it will happen no-where! BioHarmonizing enables you to: - expand you awareness, using ten...
