## THE STORY OF ORIGINAL SIN (HARDBACK)

[DOWNLOAD](#)

Pickwick Publications, United States, 2013. Hardback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Description: This book traces the history of the interpretation of the disobedience of Adam and Eve in Genesis 3 through the biblical period and the church fathers until Augustine. It explains the emergence of the doctrine of original sin with the theology of Augustine in the late fourth century on the basis of a mistranslation of the Greek text of Romans 5:12. The book suggests that it is time to move past Augustine's theology of sin and embrace a different theology of sin that is both more biblical and makes more sense in the postmodern West and in the developing world. Endorsements: Both entertaining and instructive, this book smacks of a detective story. Yet with careful argumentation Toews overturns the long-held views (since Augustine) of original sin. Toews is known in the classroom both for astute analysis and thoroughness. Both are on display here. His conclusions are arresting, for they reach into beliefs about human nature, salvation, ethics, and much else. Scholars will have ample grist for their theological mills. --Elmer Martens, President Emeritus and Professor Emeritus of Old Testament, Fresno Pacific Biblical Seminary In the past, the notion of original sin may have served to mute human hubris, but for many it encouraged self-loathing, fatalism, and fear of an angry god. This book points in a different direction. Older ontological views of original human sinfulness contrast sharply with Toews's historical paradigm of human error, volitional waywardness, and simply bad choices. If taken seriously, this book will change the way we view God, ourselves, and others. --Al Dueck, Professor of Cultural Psychologies, Fuller Graduate School of Psychology Through careful reading of the Bible and centuries...
