Brand New Book ***** Print on Demand *****.Excerpt from Notes on the Commercial Timbers of New South Wales The object of this pamphlet is to give information in regard to the principal commercial timbers of New South Wales, in language as devoid as possible of scientific technicalities. Only those points are touched upon that are of practical moment to the timber-getter, saw-miller, merchant, or user. I have endeavoured to give an impartial statement of the merits of our timbers as we know them in 1895. In course of time some of the estimates of the qualities of particular timbers may require to be modified, and other timbers, not at present employed, may be shown to be useful for special purposes. If I have erred in my estimate of the usefulness of a particular timber, I shall be glad to be set right. For the last fourteen years I have been almost daily occupied in the diagnosis and critical examination of colonial timbers of all kinds; I have been a large user of many kinds of colonial timbers for miscellaneous purposes, and I have visited most of the principal forests and saw-mills of this Colony. Forest Wealth of the Colony. I have no desire to use the language of exaggeration, but I can safely say that New South Wales is one of the most richly-endowed countries in the world as regards its forest wealth. I should be sorry to say that our timber supplies are unlimited, far from it, but with our small population we have immense areas of practically virgin forest, and in many places, as the trees are cut out, numbers of young trees are coming forward, and flourish without hindrance, thus ensuring...
