Savas Beatie. Paperback. Book Condition: new. BRAND NEW, Military Education Benefits for College: A Comprehensive Guide for Military Members, Veterans and Their Dependents, David J. Renza, Edmund J. Lizotte, Every branch of the American military provides opportunities for educational benefits and ways to attend college at either no cost or at a cost far below published tuition rates. No military member, veteran, or dependent should have to go through school without knowing what their benefits are or how to obtain them. 'Military Education Benefits for College' guides you in how to access, utilize, and take advantage of your benefits so you can earn the degree you deserve. As a retention non-commissioned officer in the Army National Guard, co-author David J. Those who tried to attend college often became confused and discouraged by the perplexing enrollment process required to obtain education benefits. Together, Renza and Lizotte have produced a comprehensive, readable, informative, and indispensable step-by-step guide into every facet of the education journey. From the enrollment process and the classroom experience to the procurement of benefits and determining which type of degree is right for which type of job, 'Military Education Benefits for College' sheds light on the experience of...
