

Overcoming ADHD in Teens and Pre-Teens A Parents Guide Dr. Ts Living Well Series

Filesize: 9.38 MB

Reviews

*A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 72 pages. Dimensions: 8.5in. x 5.5in. x 0.2in. This book is for all of the exhausted and frustrated parents, relatives, and educators dealing with the behaviors that just absolutely don't make sense to you. . . . How can this child not follow these simple directions? How can this child not learn this easy task? Why can't my child do chores or clean his room? This book is for you who have asked those questions and hundreds more. What exactly is ADHD? Is it contagious? Can it be fixed? Read on to learn how ADHD is diagnosed, and treated in the most effective ways. There is hope in these pages, and you do actually have the ability to survive a child with ADHD, and both of you grow. Approximately 4.4 million children, between the ages of 4 and 17, have been diagnosed with ADHD in the United States. ADHD is the abbreviation of Attention Deficit Hyperactivity Disorder, and is one of the most common psychiatric disorders among children. The major groups of symptoms are: 1) Impulsivity, 2) Inattention, and 3) Hyperactivity. This book describes these symptoms at great length. It also tells how the negative results of the symptoms are usually poor scholastic achievement, impaired emotional development, and impaired relationship skills. Treatment of this disorder is multi-factorial, often using medication and behavioral therapy. Without treatment however, most children with ADHD will have trouble adapting throughout their lives. Justin Timberlake, and other famous people listed at the end of this book have managed to overcome the negative effects of ADHD. This item ships from La Vergne, TN. Paperback.
