

# The Flying Saucers are Real

By Donald Keyhoe

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 138 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. Following Kenneth Arnolds report of odd, fast-moving aerial objects in the summer of 1947, interest in flying disks and flying saucers was widespread, and Keyhoe followed the subject with some interest, though he was initially skeptical of any extraordinary answer to the UFO question. For some time, True (a popular American mens magazine) had been inquiring of officials as to the flying saucer question, with little to show for their efforts. In about May 1949, after the U. S. Air Force had released contradictory information about the saucers, editor Ken Purdy turned to Keyhoe, who had written for the magazine, but who also, importantly, had many friends and contacts in the military and the Pentagon. After some investigation, Keyhoe became convinced that the flying saucers were real. As their forms, flight maneuvers, speeds and light technology was apparently far ahead of any nations developments, Keyhoe became convinced that they must be the products of unearthly intelligences, and that the U. S. government was trying to suppress the whole truth about the subject. This conclusion was based especially on...
