A SLENDER THREAD (PAPERBACK)

Random House USA Inc, United States, 1999. Paperback. Book Condition: New. Reprint. 196 x 130 mm. Language: English . Brand New Book. Diane Ackermann volunteers every week at a local crisis center, where people call in anonymously, strung out, desperate, imploring, or hostile, holding on to hope through a phone line. Her secret life spent with callers is shocking, funny, stressful, healing, and inspiring. So, too, is her life in her backyard where the wild creatures she observes so closely are living their own lives on the edge. In her distinctive style she weaves these parallel threads into a book that is an astonishment. Using powerful stories of the human spirit set against a backdrop of the natural world she knows so well, Ackerman takes us with her on her travels between those intensely fascinating realms. A Slender Thread is bewitchingly like her previous, widely admired books. As ever, she is sensitive to her surroundings and to other creatures; poetic, passionate, amusing; blessed with a richly furnished mind that makes leaps of imagination and insight; adept at drawing on science, literature, history, psychology, and the immediate moment - and yet this book is dramatically different from the rest of her writing. Deeply personal and intimate, it merges her own story with the stories of others, and shares her private struggles and triumphs as well as her joyous immersion in life. We learn why many hummingbirds die in their sleep, of a distraught caller whose drunken husband is stuck in the chimney singing Irish songs, of animal suicides, of an eighty-five-year-old belly dancer, of a young woman who flees her marriage and spins an elaborate fantasy life in which she captains a team of superheroes who travel the world righting its many wrongs, of the evolution of depression and anxiety as...
