

Thomas Jefferson: The Art of Power

Filesize: 9.51 MB

Reviews

These types of ebook is the best book available. It really is written in easy terms instead of hard to understand. You will like just how the article writer created this book.
(Krista Nietzsche Jr.)

THOMAS JEFFERSON: THE ART OF POWER

Random House Trade Paperbacks, 2013. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Praise for Thomas Jefferson: The Art of Power " Fascinating and insightful Many books have been written about Jefferson's life, but few have created such a vivid portrait Meacham immerses the reader in that period of history to explain Jefferson's behavior during an era when the nation was as contradictory as he was extraordinary essential."- The Associated Press "[A]ccomplishes something more impressive than dissecting Jefferson's political skills by explaining his greatness, a different task from chronicling a life, though he does that too - and handsomely. Even though I know quite a lot about Jefferson, I was repeatedly surprised by the fresh information Meacham brings to his work. Surely there is not a significant detail out there, in any pertinent archive, that he has missed."-Joyce Appleby, Washington Post "[Meacham] argues persuasively that for Jefferson the ideal of liberty was not incompatible with a strong federal government, and also that Jefferson's service in the Congress in 1776 left him thoroughly versed in the ways and means of politics Meacham wisely has chosen to look at Jefferson through a political lens, assessing how he balanced his ideals with pragmatism while also bending others to his will. And just as he scolded Jackson, another slaveholder and champion of individual liberty, for being a hypocrite, so Meacham gives a tough-minded account of Jefferson's slippery recalibrations on race Where other historians have found hypocrisy in Jefferson's use of executive power to complete the Louisiana Purchase, Meacham is nuanced and persuasive."- Jill Abramson, The New York Times Book Review "[Meacham] does an excellent job getting inside Jefferson's head and his world Meacham presents Jefferson's life in a textured narrative that weaves together Jefferson's well-traveled career."- USA Today "A...
