It is just one of my personal favorite books. I was able to comprehend every little thing out of this published publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Dressing with dignity, writing letters, and innocent courtship are just some of the lost arts of kindness and integrity that Dr. Michael Kalpakgian tries to dig up and dust off, imploring us to regain the honor and worth our society once had. These noble habits of living fill common life with an abundance of simple pleasures that adorn day to day existence.
