

A Nation in Pain: Healing Our Biggest Health Problem (Hardback)

By Judy Foreman

Oxford University Press Inc, United States, 2014. Hardback. Book Condition: New. 239 x 157 mm. Language: English . Brand New Book. Out of 315 million Americans, 100 million live in chronic pain. And yet the press has paid more attention to the abuses of pain medications than the astoundingly widespread condition they are intended to treat. Sufferers face unending discomfort or even agony. When chronic pain is inadequately treated, it undermines the body and mind from within, even inducing many to commit suicide. Far more than just a symptom, writes author Judy Foreman, chronic pain is a disease in its own right - the biggest health problem facing America today. In A Nation in Pain, Foreman offers a sweeping, deeply researched account of the chronic pain crisis, from neurobiology to public policy, and presents to practical solutions that are within our grasp today. Drawing on both her personal experience with chronic pain and her background as an award-winning health journalist, she guides us through recent scientific discoveries, including genetic susceptibility to pain; gender disparities in pain conditions and treatments, perhaps linked linked to estrogen; the problem of undertreated pain in children; the emerging role of the immune system in pain;...
