Starving, and desperate for money, she reluctantly accepts the Police Division's invitation to enroll in a covert Bounty Hunter program: an initiative devised to infiltrate the criminal underworld of the Fringers, and to force the very worst warrant dodging law-breakers to meet their fate-death. Unfortunately, Silver doesn't realize that the Police Division is about to up the ante. They need more than little snippets of information and arrests-they need someone to pull the trigger. They need an executioner. ----- SILVER: Acheron is the first book (a 40,000 word novella) in a 10-book series featuring the character of Ella Silver Cross. Set more than 300yrs in the future, the Silver Series takes place in a post-apocalyptic, dystopian world where humans are a species on the brink of extinction. No longer at the top of the food chain, humans are preyed upon by the Chimera-genetic mutants that outnumber humankind 25:1. And Silver is a Hunter-the best in the city. She'll risk her life in the pursuit of a human resurgence on Earth. The question is: will you join her? JOIN THE FIGHT.
