[...] It had seemed that he feared Sanderson would see him; that he had misjudged his distance from the gully-thinking he was far enough away to escape observation, and yet not quite certain, crouching in the saddle to be on the safe side in case he was nearer than he had thought. Sanderson waited-for only a few minutes actually, but the time seemed longer. Then, just when he was mentally debating an impulse to climb to the top of the gully, to see if the rider was in sight, he heard a sound as of a heavy body crashing through some underbrush, and saw two riders skirting the edge of the arroyo near him. They halted their horses back of the spruce trees near the arroyo edge. The rank undergrowth in the[.].
