This composed publication is fantastic. I was able to comprehend everything using this composed e book. It is extremely difficult to leave it before concluding, once you begin to read the book.

ABC-CLIO. Hardback. Book Condition: new. BRAND NEW, *Women Icons of Popular Music: The Rebels, Rockers, and Renegades*, Carrie Havranek, Popular music owes greatly to the spirit of rebellion. In all of its diversified, experimental, modern-day micro-genres, music's roots were first watered by good old-fashioned social dissension- its incendiary heights pushed heavenward by radicals and rogue revolutionaries. And perhaps none are more influential and non-conformist than women. Always first in line to give convention a sound thrashing, women in music have penned sonic masterpieces, championed sweeping social movements, and breathed life into sounds yet unimagined. Today's guitar-wielding heroines continue to blaze the trail, tapping reservoirs and soundscapes still unknown to their male counterparts- hell hath no fury like a woman with an amplifier. *Women Icons of Popular Music* puts the limelight on 24 legendary artists who challenged the status quo and dramatically expanded the possibilities of women in the highly competitive music world. Using critical acclaim and artistic integrity as benchmarks of success, this can't-put-down resource features rich biographical and musical analyses of a diverse array of musicians from country, pop, rock, R&B, soul, indie, and hip-hop. It goes beyond the shorter, less detailed biographical information found in many women in rock compendiums by giving readers a more in-depth understanding of these artists as individuals, as well as providing a larger context-social, musical, political, and personal-for their success and legacy. Highlighted in sidebars throughout are related trends, movements, events, and issues to give readers a broad perspective of the defining moments in music and pop culture history. With discographies, illustrations, and a print and electronic resource guide, *Women Icons of Popular Music* is a rousing, insightful resource for students and music fans alike.
